

If you plan to plant a garden, this is the first tool to pick up.

Impeccably thorough, delightfully detailed, and full of practical hints. This book is a godsend for gardeners.

Tresh Martin
author of *The Essence of Paradise*

If you have a little plan in your heart for a simpler, more serious way of life, this is the book for you. An excellent combination of the aesthetic and practical.

Barbara Danovitch
author of *The Garden Primer*
